How the Book Club Works:

Infrench.com will send the Teachers a letter each month to be forwarded to the parents of their students.

Parents can then order directly from our site and the orders will be shipped out on the 15th of each month or until 5 orders have been placed. **Important to note that the students/parents ordering have to indicate in the ship to address the school address.** Additional shipping charges of a flat fee of \$4.00 will be applied to each order. The letter will indicate what shipping code should be used for each specific school.

This system eliminates the schools from having to collect any monies and allows parents to choose from a wider variety of books. They can also take advantage of any of infrench.com weekly specials.

For each order the schools receives ***Bonus Dollars*** towards the purchase of any books and will receive a statement on the 1st of each month along with a coupon for that amount. The more students buy the more the school earns!
