A BOOK FAIR is a special reading event that is held in schools throughout the country where kids and families get to shop for their very own books! It's like a mini-French bookstore, only much better!

As a school leader, you have the power to connect kids with the **French** books they want to read. What better way to support your school's reading efforts than by hosting a BOOK FAIR.

Featuring a terrific assortment of **French** books. A BOOK FAIR helps build school, classroom, and home libraries. Plus, a BOOK FAIR is a great way to support and encourage reading.

By participating in the BOOK FAIR, students, teachers, and families will follow your lead, and you'll be able to connect more children with **French** books than ever before.

### Top five reasons not to miss the Fair when it comes to your school:

1. You can shop from hundreds of quality **French** books in every price range, interest, and reading level.
2. You'll find exclusive, more affordable editions of many of the most popular **French** books sold in retail stores.
3. You'll help your child's school earn books and funds for classrooms and libraries.
4. You'll connect with your child's school reading and literacy initiatives.
5. And best of all, you and your child will have fun choosing **French** books together.

### Teachers Wish List:

Promote reading and grow your class library with the Classroom Wish List program. Here's how the program works:

- **Preview the Fair** - Visit the Fair and create your Classroom Wish List of books you would like donated to your classroom library.
- **Display Your Wish List** - Give your Chairperson your completed Book Donation Cards so they can be placed on the "Classroom Wish List" display at the Fair to encourage donations.
- **Share Your Wish List** - Include your Wish List in your class newsletter, in special notes to parents, or on your class homepage,

**Infrench BOOK FAIR Program:**

Books will be shipped and will arrive 3 to 4 days before the fair so that you will have enough time to set up. By completing the attached application we will know which package to send you and how many books. You will be advised prior to shipping what you will be receiving and will have the opportunity to add or remove which ever collects you wish.

All Books are priced and you will receive a packing slip with your order to verify that all has arrived.

Shipping charges are included and returns charges are paid for by us.

Schools receive 15% of the total sales towards purchase of any books on our site.

You will receive 4 forms by email.

- Packing list,
- Individual order form for you to use should a student/parent wish to buy something that you have run out of
- Order form to fax back to us with the total of all the individual Orders
- Return form.

Once the fair is over all forms should be faxed back to us within 5 school days. At that point we invoice you and also arrange for pick up of the returns. Payment would then be required.
